- Transition faster from a negative to neutral to a positive state of mind

We do it through customized theater puppetry-based solution story telling, crafted by the participants during the workshop.

Offering 6 a) Change transition workshop

In this workshop we use design thinking techniques, theater tools like puppetry jingle, movie, puzzle, mix & match, relay race, treasure hunt.

Offering 6 a) Change transition workshop

Overall Approach

With an accelerated solution style as

- Step 1 we discover through c-suite interviews, the current/future big changes in your organization (Internal, external, social, political environment) & its impact on people. We understand your current attempts, to help people cope with change emotionally & its success / failure. Then with participant connects, we briefly understand the biggest /hardest phase of change in participant's life
- Step 2 we invite the participants in a workshop, use global tools and techniques and help you create your strategy, for helping self/ other in similar change situations today and in the future. Our creative offering helps present your story, strategy/solution with a musical jingle and puppet show as a summary for the future
